PRESIDENT'S MESSAGE

1991 started with a New Board Meeting the 3rd of January. The New Board has picked up the commitment to serve the membership and will soon have the Job Duties Package ready for presentation.

The membership is challenged with the presentation of the Job Duties Package, to put the Standing Rules Revisions (July last year) into effect. The revisions not only update our way of serving the membership but also introduces some new avenues to achieve a smoother more efficient operation.

The By-Laws, Standing Rules and Job Duties define the responsibilities of each job position within the club and provide guidance in fulfilling those responsibilities.

Armed with the Club By-Laws, Standing Rules and Job Duties, members considering filling a Committee Chairperson Position can decide if they are able to meet the challenge. The responsibilities of each position have been time tested and reflect the best way to satisfy the needs of this Club. If you are considering a position I encourage you to review these documents first, and if appointed, to follow the established procedures. I'm sure your experience will be rewarding, mine have!

Jim Williamson

FEDERATION DELEGATE REPORT:

I have the following applications for the CFMS 1991 Golden Bear Show to be held June 14, 15 and 16 at the Santa Clara County Fairgrounds:

Club Publicity Case Application
Special Golden Bear Application
Non-competitive Exhibit Entry Application
Competitive Exhibit Entry Application
1991 Advanced Registration Form (deadline is June 1, 1991)
Tentative Schedule of Events

Please see me for any of the above.

I had the opportunity to meet and speak briefly with our State Senator Ed Royce and mentioned that if Senator Cranston introduced the Desert Protection Act again that I was against it in the form that it has been written. Senator Royce gave me the opinion that his thinking was much the same as Governor Wilson's.

HIGHLIGHTS DECEMBER GENERAL MEETING:

The December General Meeting was the Annual Christmas Party, held this year at Marmac's Restaurant in Garden Grove. There was a festive dinner with a choice of Prime Rib or Half Chicken.

Marvin Mog installed the new officers for 1991.

Alice Lux was nominated to fill the office of President, which the Club had been unable to fill earlier. However, at the January meeting the floor will be open for other nominations at which time there will be an election and installation.

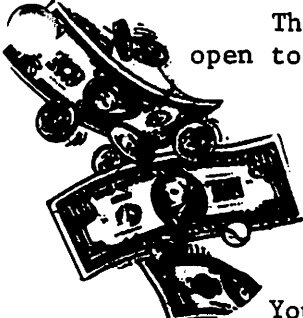

Door prizes were awarded to members holding lucky tickets. It was a fun evening and for those of you who was unable to attend you missed a good time.

FOURTH ANNUAL ROCK AND STORY SWAP FUND RAISER:

On Saturday, January 26, 1991, our 4th Annual Rock and Story Swap will be held in the parking lot of the Anaheim Clutural Arts Center from 10:00 AM until 2:00 PM. Searchers are welcome to bring rock and/or stories to swap, or just browse and get some visiting in.

This is a Searcher event for Searchers and their friends, it will not be open to the general public. The purpose is two fold:

- 
- A friendly gathering to SWAP (NO SELLING ALLOWED!) Rocks and or stories.
 - Turn in all those aluminum cans we've been saving for this fund raiser.

You do not have to bring rock to swap to take rock home, there is always an ample supply that many of bring down for this event.

- Free Parking
- Free Admission
- Free Coffee
- Free Rock

Don't delay!!! Plan to attend, mark your calendar...JANUARY 26th, 10:00 AM. Load rocks (to swap) and your aluminum cans and come on down, spend a part of the day with the Searchers. You may find just the rock you've been looking for. See you there.

TIME FOR DUES:

Reminder - it's that time of year. Your 1991 DUES ARE DUE. Deadline for renewal will be March 1st. The new Membership Roster will be published in March and if you don't pay your dues by March 1st your name will not appear in the new roster.

You may avoid the January and February rush by mailing your dues directly to our Treasurer, Marie Cole or to Bob LaVariere or Millie Arvanites.

SPECIAL OFFER (time is running out on this):

Rock and Gem Magazine presents a special offer to show their support for members of rock, gem and mineral clubs. Twenty-four (24) issues of Rock and Gem Magazine for \$18.00. This is a two year subscription for the price of one. All orders must be through the Club, not independently.

If you are interested please send me the following:

- A current address label (located on the cover of your magazine if you are currently a subscriber), or include the following information: NAME, ADDRESS (including zip code) if this subscription is a new one or a renewal/extension.
- Please make your check or money order payable to Rock and Gem Magazine and mail to me at my home address.
- This package will be in the mail to Rock and Gem Magazine on Monday, January 28, 1991.

Jim Williamson

CRAFTS:

The ladies who are working on craft items for our annual show will be meeting at Jan Gillette's home at 9:30 AM on the following dates: January 23rd and 30th; February 6th, 13th and 20th. We will have a Potluck lunch (so bring a dish). ALL you ladies are welcome. We have many projects to do and could use more helping hands. It is a fun day and a great way to get acquainted and help your Club.

We are asking for ideas and or samples that we could use - a finished article would be a big help. We need lots of slabs and tumbled stones. Its time to start your plants - they were so attractive and sold so well last year.

Anyone who would like to donate an afghan (knitted or crocheted) give me a call. We will raffle them off at our Friday night dinner.

I would like to remind you ladies that Wednesday is trash day in my area so ladies please do not park in front of the trash buckets.

Jan Gillette, Bev Erhart & Margaret Neeley

SUNSHINE:

We will all miss "Our Beulah" who passed away December 16th. Her cheerful happy smile helped make our day a little more pleasant.

We would like to extend our sympathy to Elmer Parsons on the loss of his brother who passed away December 29th in Gainesville, Florida.

Bill Keyes has spent some time in the hospital with his asthma...keep on fighting it Bill. It is good to report that Bill's wife Bobbie is home from the hospital and is doing well.

Doris and Hal Pelfrey are alright after an accident on the San Diego Freeway enroute to LAX before Christmas to meet Mary and Layla. Their car was totaled but fortunately no serious injuries...a few bruises.

To Our Dear Searcher Friends -

Words cannot express our thanks for the love and concern you have shown these past five months during Mom's illness and when she passed away. Your cards, phone calls, floral tributes, financial contributions are appreciated. Thanks to Jay and Marie for all their help, the ladies who prepared food and helped serve and, to all of you for just being there for us.

Beulah was so proud to be a Searcher she would often say "the Searchers are the nicest group of people I've ever known". Mom enjoyed all the meetings, field trips and picnics. The program at the meetings was not as important to her as seeing her friends and being able to talk to them--that meant so very much to her. We have always felt that the Searchers are like family, very very special.

Marge and George

FIELD TRIP HINT: To avoid spilling small stones on a field trip, have a can with a plastic lid handy. Cut a PLUS sign (+) in the lid and simply push the stones through the PLUS. This greatly reduces the chance of spilling or losing stones. A cloth or paper cushion in the bottom of the can will protect the stones.

1991 Field Trip Report

As part of my Field Trip Chairman duties I have done an extensive search of the past club records with the aid of Jan Gillette. The summary will be available for viewing at the back table. For those with a historical interest the top ten collecting sites for the club are as follows: 1) *Mule Canyon/Calico*(18x) 2) *Wiley Wells*(17x) 3) *Quartzsite*(16x) 4) *Boron, Chuckawalla, Castle Butte*(11x) 5) *Tick Canyon*(10x) 6) *Kramers Junction, Green Ash Hills/Afton Canyon, Cady Mtns/Ludlow*(9x) 7) *Gem Hill, Last Chance Canyon*(8x) 8) *Lavic Siding, Stoddard Wells*(7x) 9) *Pala, Hector Road, Copper World, Opal Mtn.*(6x) 10) *Bagdad, Fort Irwin, Kingston Peak, Henderson/Las Vegas, Tonopah, Indian Pass/Ogilby*(5x).

I am asking the membership for help in determining whether or not certain collecting localities are still open. The following are the questionable locations: *Horse Canyon/O'Brien Canyon, De Luz Canyon, Kanaan Road Quarry, Truckhaven, New Poe, Shark Tooth Hill, Mecca, and Wrightwood/Guffy's Camp*. Please contact me if you have any access information on these sites. In addition, I plan on returning to the concept of a field trip leader for each of the planned field trips, i.e. I will be asking certain members who are familiar with specific collecting sites to act as the trip leader for the actual collecting. Where possible I will assume this role if I am familiar with the area.

As you well know, there was no field trip in December. We have the January 18-20 field trip to Stoddard Wells and the February 8-10 field trip to Quartzsite fast approaching. There will be 20 detailed handouts of possible collecting locations available on the back table at the January 17th meeting. There will also be copies of the field trip survey in case members have neglected to bring them to the meeting. Please fill them out at the meeting or mail them to my home address. I urge you to submit a completed form so that I can provide you with the collecting experiences that you want. Thank you for your help and Happy New Year!

Walter Moch
1991 Field Trip Chairman

Maps to Stoddard Wells please see your December Bulletin. The map for Quartzsite is located on page 10 of this Bulletin.

PROGRAM REPORT:

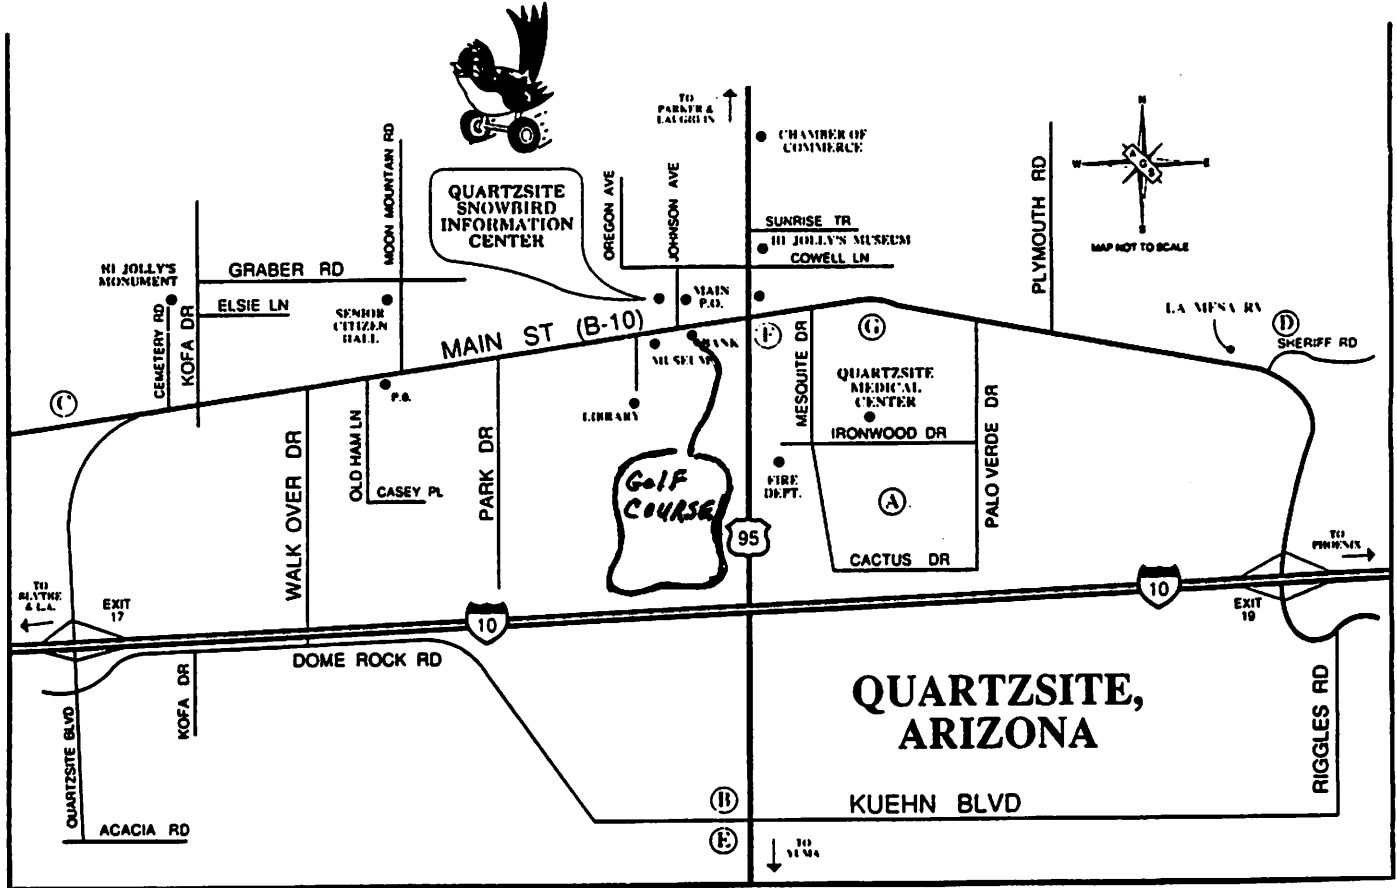

Our own Jewett Pattee who gave us a fine slide show and talk on the mining of Australian Opal returns tonight to give the second half of his presentation.

Our new Program Chairman (1st Vice President) will announce at our meeting tonight who our guest will be for February.

I have contacted the Golf Course owners and they have given the OK. Please let me know if you will be showing up on February 1st or on the 8th so that they can set aside enough space at the Golf Course area that we have used in the past.

Some Searchers members will be at the show for the whole event while others may not have the same freedom of time. Please make contacts at the January meeting to determine which of your fellow Searchers will be in attendance.
